- The Marketing Committee will create a social plan around this as well as community contributions to what they would like to see in EE11
 - Include encouragement to individual spec teams to proceed with spec evolution
- This is under active discussion at the Platform Team and the Spec Committee

Jakarta EE Working Group Meeting

- Propose a meeting of the Jakarta EE Working Group, using the Steering Committee time slot on February 28, 2023.
 - Goal is to promote awareness, engagement, and support from all Working Group members
 - Proposed agenda - 10 mins per topic, including Q&A:
 - Jakarta EE 11 Narrative and Direction - Alasdair suggested that perhaps the Platform Team or Spec Committee rep could present on “next steps”
 - Emily will seek a volunteer to discuss from Platform team
 - Paul will seek a volunteer to from Spec Committee
 - Jakarta EE Working Group Program Plan (including Objectives)
 - Marcin volunteered to cover
 - Developer Survey (including possible translations?)
 - Shabnam/Neil will recruit a presenter
 - MicroProfile on Jakarta EE 10
 - Emily volunteered to cover
 - Would like members of this committee to contribute in the Working Group meeting
 - Will plan a separate event for Chinese Working Group members
 - Tanja/Emily will plan this out

Objectives

- Group discussion of CY2023 objectives, especially Q1:
